SAINTS TOUR - "L'arte è la bellezza, l'invenzione perpetua dei dettagli, la

scelta delle parole, la cura attenta nell'esecuzione". (Théophile Gautier) Passione, professionalità e valore alle persone: Saints Tour è una concreta realtà, nata dall'attività pluritrentennale della famiglia Capriotti, specializzata da sempre nel settore del commercio di articoli religiosi e di souvenir. Da un punto privilegiato come Piazza Pio XII, affacciati sul maestoso colonnato berniniano antistante la Basilica di San Pietro, abbiamo avuto modo - nel corso degli anni - di confrontarci con diversi turisti e visitatori di ritorno dai Musei Vaticani e dalla Cappella Sistina. Grazie a loro, abbiamo potuto raccogliere informazioni preziose, considerazioni, impressioni e critiche, consentendoci di migliorare ogni giorno sempre di più. La nostra esperienza è frutto di un lungo e accurato confronto con altre realtà: tutto questo ci ha permesso di confezionare un servizio ad hoc, perfettamente fruibile, assolutamente efficiente e ogni volta sempre più coinvolgente. Dalla nostra punta di diamante, il tour guidato di Musei Vaticani e Cappella Sistina, all'esclusivo Good Morning Vatican, fino ai percorsi guidati concepiti espressamente per le famiglie; dalle passeggiate nel cuore di Roma, sino ai tour privati accuratamente pianificati per soddisfare le richieste di tutti i nostri clienti: Saints Tour - con estrema cura e tanta passione - mette al servizio di turisti e visitatori la propria professionalità e tutta l'esperienza acquisita nel corso degli anni.
